

## All For One

The words I have pieced together were captured from the world we have all created, so that they may be released through the inner world you have made for yourself. Please give these words your full and undivided attention, for whatever you put into yourself, you will get back out of the self. It is the rule and this book is no exception. What will only take you a matter of days to read, took my lifetime to receive and countless years of contemplation to conceive. I weighed my experiences and the lessons learned thereof, with those learned lessons of countless others to form each line. Therefore, I feel this book is not yours, nor mine, but ours. I wrote this book with intentions of shattering old boundaries drawn up by time and replacing them with truths and outlooks that bind. Keep these words free, I borrowed them and now I will return them in order for them to be.
