

Baron Thugut and Austrias Response to the French Revolution (Princeton Legacy Library)

Here is the first political biography of Baron Franz Maria Thugut, the principal Austrian opponent of the French Revolution. This work explains Thugut's role as the first Austrian statesman seriously to confront the Revolution. In the process it makes significant revisions in the conventional picture of the international system of the period. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press.
