He wanted neither fire nor imagination, and possessed great command of his abilities. He has written no masques; his personifications of the passions are few; and that allegorical vein which the popularity of Spensers works may fairly be supposed to have rendered fashionable, but seldom occurs in him. Headley, quoted in the Life of Drayton. What is the Polyolbion but an allegory? and as for personification, I should think the Passions were as capable of it as the Counties. Why it should have been a peculiar commendation to have written no masques, I cannot perceive. Would Milton have been greater had he not written Comus? Are not Ben Jonsons and Daniels masques replete with lovely poetry? And does not the masque in general bear the same relationship to the Faery Queen as the Greek Tragedies to the Iliad and the Odyssey? Neither Mr. Headley nor Dr. Anderson seem to have been aware that Drayton was a dramatic writer, which it is evident from Colliers Annals of the Stage that he was. Besides the Merry Devil of Edmonton. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
