

## Colonial America: Essays in Politics and Social Development

As an anthology of readings by top scholars in the field of Early American History, *Colonial America: Essays in Politics and Social Development* provides students with an insightful and critical view of the Colonial period. The Fifth Edition is heavily revised to reflect shifting emphasis on the continentalist approach to early American history. With seventeen new essays, including essays on the New France and Spanish borderlands, this reader continues to be a best-selling text in the Colonial America course.
