

Vocabulary Building in Indonesian: An Advanced Reader (Ohio RIS Southeast Asia Series)

An outstanding advanced text intended to complement and supplement Indonesian language materials now available. The author takes the student through a series of original essays and previously published material on a variety of subjects, not merely explaining grammatical and vocabulary matters, but offering detailed discussions of nuances, alternative meanings, synonyms and antonyms. This unique vocabulary exploration device forms about onethird of the book, and makes the lessons powerful aids to efficient and indepth language learning.
