This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ...with profit and pleasure. He will be struck by the modernity of many of the houses, especially as represented in the porcelain Minoan tablets which show houses with three stories and rows of windows, and an attic like those in any modern suburb. D. M. R. EASTERN RUGS This rug, the production of Ustad-Oshgore, a master weaver of Kirman, is a most unusual example of fine Eastern weaving. The Cypress, symbol of youth and grace, is employed as the large central motif, upon which are again cleverly imposed the same forms in smaller scale; the birds, with characteristic old Kirman treatment, are woven in silk. The color scheme of fawn, blue, ivory and green, completes the charm of this masterpiece. It is but one of a great number and variety of unusual Rugs in our stock. We shall be glad to give further information upon request. W. & j.
