

Culture and Customs of the Netherlands (Cultures and Customs of the World)

The Culture and Customs of the World series delivers a fresh, modern perspective on individual countries for which detailed information is most in demand in the school curriculum and library. Each volume is written by a country expert especially to meet the needs of students and the general reader. The worlds countries come alive in insightful, accessible chapters that cover crucial topics as: the land and history; the people, language, food, and traditional dress; religion and thought; social customs and lifestyle; media; literature; marriage, family, womens roles, and education; performing arts, music, and cinema; and, art and architecture. For a complete listing of all titles in this series, go to our associated website.
