

Thicker Than Water (Kit O'Malley Mystery Book 3)

Third in the PI series, *Thicker than Water* finds Kit O'Malley trying not to become too embroiled in the feud between three Melbourne crime families, while dealing with ghosts from her past, and a strange missing persons case. The women's bar known as Angies is the last place anyone expected to find the dead body of known-criminal Gerry Anders, and O'Malley soon discovers that helping her family of friends out of trouble can be just as dangerous as facing a deranged killer - only more complicated. She has to deal with an old nemesis from her days of the force; the matriarch of the notorious Riley clan, who takes a liking to her; a troublemaking journalist; and a Romeo and Juliet scenario. Kit's ex-partner, Detective Inspector Jon Marek, is not coping with the ugly reality of his on-going hunt for a serial killer; and, as the Feds are still spying on everyone, Kit's courtship of the gorgeous Alex Cazenove remains under wraps. To cap it all off a good friend and his strange Russian-American client go missing, and suddenly everything points to old grudges and unresolved family tension. Everything, that is, except the very strange connection to Melbourne's Bubble-Wrap Killer.
