

Life Beyond Dictionaries

This book brings together papers presented at the Tenth International School on Lexicography, titled *Life Beyond Dictionaries* and held in Ivanovo, Russia, and Florence, Italy, in September 2013. It continues the series of edited volumes dealing with the theoretical and practical aspects of lexicography, published by Cambridge Scholars Publishing in 2007, 2009, 2010, and 2013. The book is divided into three sections, *Lexicography Worldwide: Historical and Modern Perspectives*, *Tourism and Heritage Dictionaries with Special Reference to Culture*, and *Projects of New Dictionaries*. The contributions to this volume investigate problems of world lexicography and its cultural contexts with special reference to projects of new dictionaries. As such, the book will be of interest to theoreticians, lexicographers, and students of linguistic faculties.
