

Louis XIV

Now, in the hour of death, O my God, come to my aid. These were his last words. He sank back insensible upon his pillow. A few hours of painful breathing passed away, and at eight o'clock in the morning of the 1st of September, 1715, he expired, in the seventy-seventh year of his age and the seventy-second of his reign. It was the longest reign in the annals of France. Had he been governed through this period by enlightened Christian principle, how many millions might have been made happy whom his crimes doomed to life-long woe! An immense concourse was assembled in the court-yard at Versailles, anticipating the announcement of his death. The moment he breathed his last sigh, the captain of the body-guard approached the great balcony, threw open the massive windows, and, looking down upon the multitude below, raised his truncheon above his head, broke it in the centre, threw the fragments down into the court-yard, and cried sadly, The king is dead! Then, instantly seizing another staff from the hands of an attendant, he waved it joyfully above his head, and shouted triumphantly, Long live the king, Louis XV.! A huzza burst from the lips of the assembled thousands almost loud enough to pierce the ear of the king, now palsied in death. There were few to mourn the departed monarch. As his remains were hurried to the vaults of St. Denis, those vaults which he had so much dreaded, the populace shouted execrations and pelted his coffin with mud. Not the slightest regard was paid to his will. The Duke of Orleans assumed the regency with absolute power. His reign was execrable, followed by the still more infamous reign of Louis XV. Then came the Revolution, as the sceptre of utterly despotic sway passed into the hands of the feeble Louis XVI. The storm, which had been gathering for ages, burst with fury which appalled the world. A more tremendous event has not occurred in the

history of our race. The story has too often been told by those who were in sympathy with the kings and the nobles. The time will come when the peoples side of the story will be received, and the terrible drama will be better understood
