

## Reflecting the Chinese Model (2012) (Mandarin Scholar and Student Reference Library)

[Please note: This book is in Chinese language text only, published in association with the prestigious Social Sciences Academic Press (China).] In recent years, the Chinese Model of economics has been under spotlight of the global media, drawing great attention from both the media and academics since China has shown extraordinarily strong growth in the past decade and has maintained high growth rate even during the financial crisis. This book offers an in-depth investigation into China's unique developing model. The authors and editorial team not only summarize the great achievement through this model but also share their thoughts on the potential problems underlying this model.
