

Manuel de la Parole, Vol. 1: Traite de Prononciation (Classic Reprint) (French Edition)

Excerpt from Manuel de la Parole, Vol. 1: Traite de Prononciation

Letude de la lecture a haute voix et la pratique de lart oratoire prennent, dans lenseignement, une importance de jour en jour plus considerable. On reconnait aujourdhui que, dans notre etat de societe, il est indispensable de savoir bien dire, quun cours detudes nest pas complet sil ne comprend lart de parler correctement et avec expression, et quun Manuel de la Parole est le complement oblige de la grammaire. Quand Mgr Hamel et M. labbe Lagace, - a qui surtout revient le merite davoir fait connaitre au Canada les resultats heureux dune diction claire et intelligente, - commencerent a parler de lecture expressive et dart oratoire et voulurent en introduire letude dans nos ecoles, il y eut des incredules. Mais, a mesure que se faisaient sentir les bienfaits de leur enseignement, lart de la lecture devenait de plus en plus populaire; et maintenant, lutilite du savoir dire parait si evidente, quon est surpris den avoir autrefois doute. En face de cet etat de choses, il nous a paru quun traite, ou les principes de lart de dire seraient exposes avec methode, et qui tiendrait compte particulierement des fautes les plus communes au Canada, pourrait rendre quelques services. Les traites publies en France ne repondent peut-etre pas a tout ce que nous, Canadiens-Francais, leur demandons. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of

imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
