

## Carefree: The Significance of a Meaningful Existence on Earth & on Andromeda

**Product Description** Carefree is a breathtaking, contemporary and truth-laden manifesto for life, embracing extraordinary survival and optimism. In powerful and deeply touching ways, it provokes and stimulates the reader to instinctively ponder upon how meaningful his or her life truly is, and what might be open to revelatory change by addressing and assessing issues of evolution, faith, death, birth, money, sex and the meaning of love. Many books claim to have the power to change us. This one will. About the Author Yensa Manor was educated in England and France and has been variously a teacher, restaurant manager and strategic consultant. She writes prolifically for pleasure and lectures on a part-time basis at London's South Bank University. One of her greatest loves in life, outside her daughter Jocasta, is Ashtanga yoga, at which she is an experienced practitioner.
