

The Art of Living: Letters to my Children

This book is an invitation to step back into ourselves and listen to your mind, to act justly in the conduct of our lives, to view life as a panorama rather than a close-up, and to seek true joy in our everyday lives. Terry Lutes encourages us to learn the ways to be charitable without harm, magnanimous without boasting, and celebratory without arrogance. But most of all he implores us to avoid the bad choices and toxic people that can steal the thunder from our lives
