

## Reality Check

Carmen Fuller is getting fed up with the baby mama drama, her medaling in-laws and her guilt-driven husband. Stress levels run high for this thirty-two year old mother of two. She struggles with her feelings as a stepmother to nine year old Junior and discovers that she is not alone. Her situation intensifies when she suspects her husband, Tyrell, of unfaithfulness. The couple struggles with moving forward. As she figures things out, she makes some astonishing discoveries about Junior that have been happening all along. Carmen decides to choose her battles carefully and accept things for what they are.
