Excerpt from book: It was even worse than that. The colonists were not united in resisting England; not nearly so unanimous as the Boers are. It was by no means certain that our colonial rebel party had a bare majority. The loyalists insisted and believed that they themselves had the majority. So if we cut off from the supposed 3,000,000 population of the colonies the black slaves who numbered about 800,000 and the loyalists who were even more numerous, we had at the utmost only about 1,400,000 whites who were prepared to resist the army, fleet, and 8,000,000 population of England without counting nearly a million loyalists in their own midst. In fact on the showing of hands it was an utterly hopeless contest, and within a few years proved itself to be such. All that saved your ancestors party from complete annihilation was the assistance after 1778 of the French army, fleet, provisions, clothes and loans of money followed by assistance from Spain, and at the last moment by the alliance of Holland. And even with all this assistance your ancestors cause was even as late as the year 1780 generally believed to be a hopeless one. Your ancestor did not like the prospect. He was fully prepared for misery, beggary and his family blood attainted and rendered infamous to the last generation by the English law. Death was the least thing he dreaded. I go mourning in my heart all the day long, he writes to his wife, though I say nothing. I am melancholy for the public and anxious for my family. As for myself a frock and trousers, a hoe and a spade would do for my remaining days. I feel unutterable anxiety, he writes again. God grant us wisdom and fortitude! Should the opposition be suppressed, should this

country submit, what infamy, what ruin,
God forbid! Death in any form is less
terribl...
