

CORRUPTION: Part One, Yielding to Temptation

Corruption: Part One, Yielding to Temptation is an inspirational book that revisits the lives of forty-nine men accused of committing various crimes. All of them were locked away inside complex prisons of the Connecticut Department of Correction. Compiled as forty-nine biographic short stories, Corruption ? will educate you on early warning signs, troublesome days, and the most recent arrest days for each character. You will clearly understand the motives behind those who intentionally committed offenses against humanity and/or personal property. Though you may find Corruption ? an excellent reading book for leisure activity or pastime enjoyment, it was systematically created especially for implementation into Criminal Justice/Law programs at universities, colleges, business institutes and social services programs that specialize in criminal justice/injustice. Story lines in Corruption ? are easy to read and understand. Most importantly, each and every story ? no matter its contents ? has a thought-provoking ending.
