

Introduction to Ethics, 1907, Vol. 1 of 2: Including a Critical Survey of Moral Systems (Classic Reprint)

Excerpt from Introduction to Ethics, 1907, Vol. 1 of 2: Including a Critical Survey of Moral Systems The lectures, of which a translation is now presented, are the first which Jouffroy, who is professor in the Faculty of Literature at Paris, has published. Induced by an earnest request from those who had attended his previous courses, that his interesting instructions should be preserved in a permanent form, he consented to have his extemporary addresses taken down by a stenographer, and afterwards revised and corrected them.
