

Foucault and Philosophy

Foucault and Philosophy presents a collection of essays from leading international philosophers and Foucault scholars that explore Foucault's work as a philosopher in relation to philosophers who were important to him and in the context of important themes and problems in contemporary philosophy. Represents the only volume to explore in detail Foucault's relation with key figures and movements in the history of philosophy. Explores Foucault's influence upon contemporary and future directions in philosophy. Brings together a group of outstanding scholars in the field and allows them to explore their topic at a high level of sophistication.
