Excerpt from Report on the Prisons and Reformatories of the United States and Canada, Made to the Legislature of New York, January, 1867

The higher the officers position, the more varied his qualifications should be, 123 /female officers should be distinguished for modesty and the domestic virtues, 123 0 A majority of prison officers deficient in qualification. 124 Causes of this deficiency - where to be sought? 124 1. In the inadequate compensation paid. 124 2. In the control given to party politics in our prisons 124 Political in uence the dominating power in most of our state prisons. 123 This eminently the case in Wisconsin and New York, especially the latter 126 In making appointments in New York, little attention given to qualifications, 126 Political appointments the radical defect of our prison systems. 127 Private business never conducted on such principles 127 The remedy lies 1. Ln discarding party politics from prison administration 2. In making fitness the sole condition of appointment 3. In establishing tests to ascertain the qualifications of candidates. 4. In making the tenure of office permanent 5. In authorizing the superintendent to appoint his subordinates. 7. In establishing a gradation of rank in o ice 8. In the payment of adequate salaries 9. In making provision for the superannuated. Modes of appointment to office in different states. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
