

## Working with Offenders: Issues, Contexts and Outcomes (New Directions in Social Work series)

Working with Offenders examines the current knowledge, skills and values which are needed by those working as probation officers and social workers for effective and competent practice. As well as looking at areas of practice which are of central importance to the altering roles of practitioners, this original textbook provides a critical appraisal of the policies and requirements which guide those roles. Written in an accessible style by experienced academics and professionals, the book examines: the issues which inform practice - training, skills and competences, antidiscriminatory practice, autonomy and accountability, masculinity and the causes of crime; the contexts in which work with offenders take
