

Anne of Geierstein

Includes both Volumes Illustrated version

Anne of Geierstein, or The Maiden of the Mist (1829) is a novel by Sir Walter Scott. It is set in Central Europe, mainly in Switzerland, shortly after the Yorkist victory at the Battle of Tewkesbury (1471). It covers the period of Swiss involvement in the Burgundian Wars. Two exiled Lancastrians are on a secret mission to the court of Charles the Bold, Duke of Burgundy, hoping to gain his help in regaining the English crown from the Yorkist Edward IV. The two Englishmen get into difficulties in the Swiss mountains. They meet Countess Anne and her family, who are involved in the politics of the newly independent Swiss Confederation and plan to confront Charles with complaints about his conduct towards the Swiss nation. The two groups decide to travel together. Anne may have inherited magical skills from her grandmother, enabling her to perform feats which defy explanation. The travellers also encounter a shadowy organization known as the Vehmgericht or Secret Tribunal. Sir Walter Scott, 1st Baronet, FRSE (15 August 1771 – 21 September 1832) was a Scottish historical novelist, playwright, and poet, popular throughout much of the world in the 19th century. Scott was the first English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include Ivanhoe, Rob Roy, The Lady of the Lake, Waverley, The Heart of Midlothian and The Bride of Lammermoor. Although primarily remembered for his extensive literary works and his political engagement, Scott was an advocate, judge and legal administrator by profession, and throughout his career combined his writing

and editing work with his daily occupation as Clerk of Session and Sheriff-Depute of Selkirkshire.
